The University of Alabama in Huntsville

A Resolution for Parking Services to Add a Long-Term Visitor Parking Pass Option

*Whereas*,

1. The Student Government Association (SGA) serves as the official governing body of the student body at The University of Alabama in Huntsville (UAH); and
2. Many academic programs, departments, and registered student organizations (RSOs) rely on regular external collaborators, supporters, advisors, and volunteers whose presence supports university engagement and student success; and
3. Parking guidelines require a daily visitor pass if an individual is not eligible for commuter, resident, or faculty/staff parking; and
4. This can be a cumbersome process for organizations in which an external supporter or advisor needs to be on campus regularly, especially if some of these meetings are past than the 45 day deadline to submit for a visitor pass; and
5. It has been recommended to SGA to propose a solution that offers these external supporters and advisors a parking solution; and
6. Such a solution would offer Parking Services more relevant data and better monitor who is visiting on campus; and
7. Many universities offer a similar solution including: University of Nebraska - Omaha and Ole Miss
