BIBLE STUDY SYLLABUS

Prelude

This study is designed to be an overview summary of key events, people, and time-tables of the entire Bible from Genesis to Revelation in 10 lessons. Each lesson is 1 1/2 hours long that meets once a month on the 2nd Tuesday from 6:30-8:00. Each session will allow 1 hour for teaching and 30 minutes for intermittent questions and conversation with additional individual student follow-up questions upon request during the following month. All questions are welcome, there are none that are off limits. The intent is to show how God's Master Plan is woven together between the Old and New Testament and meet each student at their level in their spiritual walk of faith no matter what their personal beliefs may be.
