How your business can benefit from sponsoring this event:

- Great exposure
- Write it off as a tax deductible as advertising/promotion fee and opportunity
- Your Content we post on our story/page gets views of 500+ often

Where will your sponsorship money go?

We would love to keep expanding the glass scene.

With doing so, infusing the art, music and snowboarding scene with it to feel more like a community driven experience and make life long memories.

Our main focus is on making every show even greater than the last show.

We want to feature high end music performers... include the top chefs...buy the best quality food... and rent the best venues possible...etc.

These sponsorships will go a long way to helping us be able to pay for all of the amenities that it takes to make an amazing event.

Thank you again for your consideration.

-Isaiah Alder & The Alder Brooke Family
