

Korematsu Middle School Info Session

What is the difference between elementary and middle school? What electives are offered and what is the typical schedule? If you have similar questions, please join us at this info session to hear from a panel including Korematsu Principal, Matt Burnham and former Harding students and parents who will give an overview of the school, share their experiences, and answer questions from the audience. We highly encourage our 5th and 6th grade students and families to attend.

Monday, January 9, 2023
7-8 pm

Harding Elementary School auditorium

If you have any questions please reach out to Anne Park, PTA VP, vp@hardingpta.org
