

MIDDLE SCHOOL AFTERNOON TRAFFIC INFORMATION

Revised 08/2022

Please observe all signs posted - this is important for the safety of all.

***7th and 8th grade Parents:**

-Plan on picking up your student in whichever building they end their day. They end with their 7th period class on Monday, Tuesday, Thursday, and Friday. On Wednesday, they will end the day in their 5th period class.

-We understand that you may have an alternative pick up plan that is better for your family, i.e. going to HS pick up line, riding with an older sibling that drives, etc.

***6th grade Parents:**

Plan on picking up your student in the Main Middle School Carline each day.

Silverdale Center Carline

You should enter the campus either from Bonny Oaks into the athletic entrance or from Bonny Oaks Dr. onto Kirkman Rd. onto Robinroost Trail or Lee Highway onto Tyner Rd. onto Kirkman Rd. onto Robinroost Trail. You will proceed down the aisle in front of the Silverdale Center bear to the left and circle up in front of the Silverdale Center. After dropping off or picking up your student, you will bear to the right and exit out onto Bonny Oaks Dr. where our traffic cop is located.

Main Middle School Carline

PLEASE NOTE: The bell for school to dismiss does not ring until 3:05 p.m. Students must go to their lockers before they proceed to the pick up location. It will be at least 3:08pm before the first child will be dismissed.

Before 3 p.m. only use these 2 entrances:

1. Lee Highway to Silverdale Rd. into church annex entrance
2. Bonny Oaks Drive onto Silverdale Rd. into church annex

AFTER 3 P.M.: You may enter from the athletic entrance or Robinroost Trail and proceed to the pick-up area. No middle school traffic will be permitted to proceed to pick up line (church atrium area) until after 2:50 p.m. All cars before 2:50 p.m. will have to wait at the stop sign located behind the church annex.

All middle school students will be picked up in front of the church atrium (canopy facing Silverdale Rd).

The traffic line will be single lane until you pass the sign posted and then proceed into double

lanes. Do not start double lane until after you pass the sign. The outside (right) lane is for elementary traffic only. Beginning at 3 p.m., the double line should form behind the posted sign.

Students will wait until the staff on duty dismisses them to load for pick up. If the student is not at the entrance ready to load you will be asked to go around and get in line again. Please remind your student to be at the pick up area on time.

After picking up your children you will exit at entrance #1 where someone in a safety vest is located. You may turn left or right onto Silverdale Rd. in the afternoon.

If you have children in multiple grade levels please make arrangements with your children and teacher as to which location you will be picking them up.

If you have any questions, please [email Mr. Chris Neighbors](#).
