

PLEASANTVILLE ACTIVITIES

Facility Rental Expectations

Pleasantville Community Schools facilities have been created and maintained for the use of Pleasantville students, so attendees are asked to be good stewards when utilizing the facilities. Entities that use the buildings, equipment, or sites must leave the building, equipment, or sites in the same condition that it was in prior to its use. Inappropriate use of District facilities and equipment may result in additional fees or the inability of the entity to use District facilities or equipment in the future.

The following are expectations of the Pleasantville Community School District :

- It is the responsibility of the renter to communicate with the facilities scheduler regarding access and any additional things needed at least one week prior to the event.
- Buildings and doors are secure and supervised.
 - Doors are monitored if unlocked.
 - Doors should NEVER be propped open.
 - Participants only in designated areas. No group shall open another space even if requested by another group in the building.
- Clean up.
 - All areas that were used are swept.
 - Trash is picked up in bathrooms, gyms, and any other areas that have been used.
 - Trash is to be taken to the outside dumpster.
 - The bleachers are clean to the best of your ability.
- Bleachers are only to be moved by staff members. If you need them, please communicate that in your facility rental set-up notes.
- Hoops should be moved back up if lowered from the ceiling. Items left out in the gym or common areas are NOT for public use.
 - Please ensure that your group and attendees do not play with or on equipment. If something must be moved for safety reasons, it is important that it is put back in the same place it was found and you let the facilities scheduler know you have moved it.
