Monday 11 November

Dear Parents/Caregivers

The TRYathlon day is next week Wednesday 20 November -

This notice gives the final pieces of information for the day. Please read this carefully with your child to ensure none of the important messages are missed.

TRYathlon Event Kit

Your child will be bringing home from school their TRYathlon event kit this Friday, *unless you registered online and have already received it, or are picking it up at the event..* **They must bring it on the day of the TRYathlon!**

Traveling and Supervision

From our information we believe that all children participating and bikes are being transported and supervised by their parents or you have pre-arranged for your child to get a ride and supervision with another parent.

Teacher Support

Cam Insull will be our teacher onsite on the day. Please check in with him when you arrive, and if you leave. Cam will be stationed at our school gazebo. Cam is there for support and encouragement only. Responsibility of children is still held by families.

Event Supporter

We have asked for an adult to be the 'go to' person for each event - eg 7 year old girls individual TRYathlon, 7 year old boys individual TRYathlon etc. There are too many events for one person to do this. The role of this person is to gather the group and take them to the start area in time.

We will communicate these adults with you asap.

Event Day Schedule

- 8.00am - Event site opens
- 8.00am - Pack Pick Up Tent, Check-In and Transition open
- 9.15am - **Pack Pick Up Tent, Check-In and Transition close for bike drop off**
- 9.30am - Event Briefing at the stage container
- 10.00am - TRYathlon begins
- 10.10am - Teams Briefing at Teams Bay in Transition
- 10.25am - Splash and Dash Briefing at Teams Bay in Transition
- 12.45pm - Prize Giving
- 1.05pm - Event finishes and Transition opens for equipment collection. Please note that the Transition area, where you drop your bike closes at 9 15am and your child's bike must be there before that time.

Gazebos - We have two school Gazebos that need to be transported to the TRYathlon site, can we please have some volunteers to help put them up, there is a designated area for Schools to set up Gazebos.

TRYATHLON EVENT GUIDE - You should have received this from the Weetbix TRYathlon organisers, it has everything you need to know in it, also available [Event "How-to" videos](#)

Please email me if you have any queries jjohnston@onehungaprimary.school.nz or call me 021 634 646 if you have any urgent queries.

In the case of bad weather please check www.facebook.com/tryathlon for details of any changes for the day. We will also update our school website and Facebook pages. It is extremely unlikely that this event will be postponed or canceled.

Enjoy the day and Good Luck!

Kind regards

Juliet Johnston
Principal's PA
