Cat / pic ref.	description	PM Part no.	OEM	£ retail
1	Cam, nut		02-0440	1.70
2	Shakeproof washer 7/16		66-4708	
3	Washer, plain 7/16”		15-0431	0.30
4	Clip, oil hole		65-5674	4.90
5	Castellated nut		21-0431	
6	Washer, plain, 3/8		02-0130	
7	Anchor strap		42-6036	8.30
8	Split pin		35-0698	
9	Bolt, anchor strap		42-6037	
10	Cam		42-6034 37-2226	29.50
11	Rivet see 43			
12	Brake shoe see 43			
13	Chain – see full width hub page			
14	Bearing, as 36			
15	Shim, rear hub journal		67-6033	1.90
16	Rear hub (crinkle) bearing circlip		67-6034	1.10
17	Dummy spindle, rear wheel, crinkle / Gold Star type	PMN261	67-6030	25.00
17s	Dummy spindle, rear wheel, crinkle / Gold Star type - stainless	PMN261-s	67-6030	24.90
18	Splined flange, rear wheel, crinkle hub		67-6101	36.50
19	Retaining ring		65-5885	16.50
20	See 22			
21	Rim, 19”, rear crinkle hub See options on Rims and Spokes page	PMN048/RC	67-6005	
22	Spoke and nipple set (40) , stainless steel, A7/A10/A50/A65 rear QD crinkle hub	PMN138	67-6016/7	31.50
23	Grease nipple		15-5290	1.00
24	Hub shell			
25	Bearing, as 36			
26	Bearing retaining ring		65-5887	0.90
27	Felt washer		65-5886	3.10
28	Bearing cover unpainted		67-6133	14.00
28	Bearing cover – chrome		67-6133/3	22.00
29	Distance collar		65-5890	3.50

30s	Spindle sleeve spacer, crinkle hub, polished stainless.	PMN249St	67-6028	14.00
30z	Spindle sleeve spacer, crinkle hub, bright zinc plate	PMN249bzp	67-6028	7.90
31	Spoke, see 22			
32	Spindle BZP		67-6161	30.00
32	Spindle – stainless		67-6161	46.50
33	'doughnut' rear splined hub rubber spacer	PMN158	67-6051 37-2313	4.40
34	Distance sleeve		67-6027	24.00
35	Thrust washer		65-5884	2.40
36	Bearing, wheel, rear crinkle hub and Gold Star type brake drum, single sided 8" front drum.	PMN238	65-5883 37-1041, 41-6016	6.00
37	Brake drum / drive ring securing bolt (poor quality - see 37B below)	PMN365	67-6038	3.10
37B	High tensile 10mm nut and bolt set, i.e 1 nut and 1 bolt, normally 6 required. The bolt needs a flat ground onto it with a bench grinder. The flange and brake drum need to be drilled out to 10mm using a solid carbide drill bit. We can do this for you if you prefer.The whole job, £45.00			3.00
38s	Nut, rear wheel spindle crinkle hub, polished / stainless	PMN265	67-6031	14.50
39	Rear brake drum and sprocket 42T. Sw arm type. UK made		67-6149	122.50
39	Rear brake drum and sprocket 42T. Sw arm type. Imported. Excellent quality		67-6149	67.50
39	Rear brake drum and sprocket , Gold Star type, finned, 46T. Imported		42-6018	50.00
39	Rear brake drum and sprocket , Gold Star type, finned, 46T, UK made		42-6018	137.00
40	Locktab for splined ring / brake drum.		67-6039	1.40
41	Nut, locking, for brake drum / drive ring securing bolt. See 37B above		02-0452 03-0720	1.40
42	Springs pr.		65-5904 37-2328	5.80
43 E	Brake shoes, 7" single sided front and QD rear (Girling)	PMN164E	65-5901	24.50
43F	Brake shoes, 7" single sided front and QD rear (FERODO)	PMN164F	65-5901	45.00
44	Fulcrum pin, rear brake (7" GS single sided type)	PMN225	42-6033	8.20
45	Collar/ spacer		67-6032	10.30
46c	Brake plate chrome		42-6030	66.00
46bk	Brake plate, black		42-6030	58.00
47	Washer, spring		65-5111	
48	Nut		24-7000	2.80
49	Outrigger strap, QD rear brake plate part, stainless	PMN165	67-6046	6.50
50	Return spring		42-6046	10.90
51	Lever, rear brake operating, 7" QD / crinkle hub (Goldie type), chrome	PMN198	42-6045/3	15.50

			37-2329	
51	Lever, rear brake operating, 7” QD / crinkle hub (Goldie type), black	PMN198	42-6045 37-2329	16.90
