

Subject: **IMPORTANT 2022-23 AP Exam Registration Information**

October 3, 2022

Dear Parent/Guardian of an AP student and AP student,

You are receiving this information because your student is enrolled in one or more Advanced Placement (AP) courses for the 2022-2023 school year. **All AP exams are scheduled for May, but students must be registered during the registration period of October 3 - November 1.**

Test Dates: The [2023 AP Exam schedule](#) is posted on the College Board website.

Cost: \$97 per exam (\$145 per exam for AP Seminar and Research)

Students that are approved for free or reduced lunch may register online and will automatically receive reduced cost. Students must apply each school year; information can be found here: [Free Reduced Lunch application information](#).

Registration: [AP Online Registration](#) - Registration available October 3 - November 1

Registration for AP Exams includes a 2-step process. Both steps are required to order an AP exam.

1. Students must "Join" their class through the [My AP College Board portal](#). This is usually completed in the AP course with the AP teacher.
2. Students must register and pay for the AP exam at [AP Online Registration](#)

A paper registration form is required if:

- Paying with cash or check
- Registering for more than one exam scheduled at the same time

Paper registration forms can be picked up outside the Assessment Center.

AP Deal – You Pay for Three, the Rest are FREE!

For the tenth year in a row, Elk Grove High School can offer financial assistance to those students who plan to take more than 3 AP exams; thus, **if you pay for three, the rest are free!** To qualify for this program, students must meet the following criteria:

- Enrolled full-time at Elk Grove High School
- Enrolled in the AP course for which they plan to sit for the test. *For example, a student must be enrolled in AP Spanish Language to be compensated for the AP Spanish Language exam.*
- This offer is per student, per school year - NOT per family.

Pay for the first 3 exams online then indicate the free exams you would like to take [HERE](#).

Late/Cancellation Fees:

- AP Registrations after the November 1 deadline will incur an additional \$40 College Board fee per exam.
- If a student chooses to cancel an exam or does not take an exam, the student will be charged a \$40 per exam College Board cancellation fee. Cancellations in April may have an additional \$9 processing fee. (NOTE: This \$40 fee will also be charged to any students with Free and Reduced Lunch benefits or receiving a free exam via the "free after 3" deal.)

AP exams for all classes taught at EGHS will be administered at Elk Grove High School.

Students who have an IEP or 504 Plan and received approved College Board accommodations will continue to receive accommodations for the AP Exam.

If you have any questions, please feel free to contact the Assessment Center.

Thank you.
