Dates to remember

September 11 Midterm
September 13 Sing in church

Note from Mrs. Redeker

We have been having a great year. The kids are getting the routine down.

Please remember to study their memory with them at home so that they are able to say it to me at school. We work on it each day but the extra practice at home is very helpful. Please make sure they are reading to you as well. The more they practice the stronger readers they will become.

English

We are going to finish up capitalization and punctuation.

Spelling

1. who
2. what
3. why
4. where
5. there
6. here
7. were
8. are
9. be
10. have
11. do
12. how
