

BE KIND
#PINKSHIRTDAY

On **Feb. 28th** Brock's Gap Intermediate School will join EVERY school in Hoover for a **Pink Shirt Day**. You can help bring awareness to bully prevention by ordering a **CHOOSE KIND** t-shirt for **\$5.00** through **myschoolfees**. **This will cover the cost of your shirt and raise money to go towards a non-profit organization called myFace.** This organization is dedicated to transforming the lives of patients with facial disfigurement. Every year, myFace helps hundreds of children born with craniofacial disorders and Treachers Collins syndrome. Based off the theme of the book Wonder, myFace has created the Wonder Project by providing curriculums for schools to help adolescents explore the masks they wear, friendships/relationships, bullying, empathy, acceptance and choosing kindness through educational activities and exercises.

T-shirts for **PINK OUT DAY** may be purchased starting **January 10-February 7th**. If paying by cash or check, please send money to the counseling department. **#bekind #choosekind #pinkout #pinkshirtday**

We want **everyone** in **PINK** to show their support against bullying while thinking beyond themselves to help others!
