About the Show

"In the fairy tale criminal justice system, the characters from fairy tales and nursery rhymes are represented by two separate yet equally ridiculous groups: the fairy tale police who investigate fairy tale crime, and the fairy tale district attorneys who prosecute the fairy tale offenders. These are their stories."

When a crime scene covered in straw and rubble turns up in Storybook Land, tough-as-nails Detectives **Cindy** (Cinderella) and **H.D.** (Humpty Dumpty) step in to investigate the suspicious destruction of the Three Little Pigs' homes. Joined by CSI analyst **Zelle** (Rapunzel), the detectives navigate the absurd underground of fairy tale crime. They cross-examine a roster of suspicious storybook suspects—including Jack and Jillian (fresh off the hill), Hansel and Gretel, the Muffin Man, Pinocchio, and the Big Bad Wolf—to uncover who is behind the destruction before taking the case to court.
