# Revolution Running

Thank you for choosing The Chattabrewchee Invitational race as your next adventure! This information is to help everyone plan their weekend so their race goes as planned.

## Welcome

Revolution Running presents the 2nd running of the Chattabrewchee Invitational on Nov 21st! We originally set this race up for a friend who wanted to run 100 miles as cheap and flat as possible in the Columbus area and we decided to host this race for one more year!

## Basic need to know information:

This race was set up for ultra runners who wanted to run 100 miles as simple as possible. Every runner must keep track of their own mileage and bring their own aid station food. We'll provide coolers of water & electrolyte drinks and that's it. No bibs, no food, no clock.

## Weekend Schedule:

Saturday- 6am race starts

## Start & finish:

The start and finish line is located on the sidewalk in front of Chattabrewchee 1301 6th Ave Columbus GA 31901.

## Aid Stations/ bathrooms/ tents:

We'll have a tent with coolers for hydration. You are welcome to set up tents along the sidewalk inside the parking lot of Chattabrewchee but make sure they are weighted down. We'll have 3 porto pottys for everyone (one for females, one for males, and one for all)

## Rules:

Respect all runners. Do not liter.

## Course Information/Course Markings:

The loop is one mile around the side walks on 6th Ave. We'll have flagging along the course. Traffic is not stopped for this event so be aware of traffic when you cross the roads.

## Race Results & awards:

Results will be posted within a day or two. Everyone who finishes 100 miles will get a buckle.

## Crew and Pacers:

You can have as many pacers and as often and as early as you'd like. Invite family to come crew you and hang out and get a brewski at the brewery!

Thank you to our sponsors for their support and making this event happen!
