

Commands for LadyAelrie's Twitch Channel

Stream Information

- **!commandlist** = what do you think brought you here, silly?
- **!dogs** = info about the doggos
- **!livestats** = shows what Aelrie is playing and her stream title.
- **!uptime** = shows how long Aelrie has been live.
- **!subs** = shows how many subscriber points Aelrie currently has.

Channel Point Redemptions!

They aren't commands but still fun stuff you can do in chat!

- **Daily Snackies** = let Aelrie know you dropped in by redeeming your snackies once per stream
- **Fish** = cast a line with an on-screen fishing minigame (can be activated with channel points, 100+ bits, !fish, or subs.)
- **Save the Game** = Remind Aelrie to save her game! works best with games that use manual saves like The Sims 4.

- **Streeeeetch** = Remind Aelrie to get up and stretch a little, sometimes you just get really into the game, ya know?
- **Posture Check** = we know you can't see her, but she's a slouchy gal. Let's keep that back straight.
- **Hydrate** = Drink some water and watch a cute pig catch some water :)
- **Wolf Howl** = awoooooo
- **Give Aloy a Treat** = Your currency earned through precious time spent to give the corgi pup a treato. <3
- **Toothless** = Toothless meme dance

In-Stream Fun!

- **!pet** = Chat wants to give the puppies some pets. ok?
- **!d20** = Roll a d20 and see what you get! Beware the critical failure...
- **!hug** = give another user in Aelrie's chat a hug!
- **!cookie** = give a virtual cookie to another user of your choosing!
- **!lurk** = lets Aelrie know you're leaving the chat for a while

- **!unturk** = lets Aelrie know that you have returned to the chat
- **!fishing** = shows information on how you can play the interactive fishing game!
- **!simsc** = A link to an excel spreadsheet of the custom content that Aelrie has in her The Sims 4 game!
- **!sdvmods** = provides a link to a document with Aelrie's Stardew valley mods listed and their links. (last updated for 1.6!)
- **!deaths** = see how many times Aelrie has died in her current game. (if applicable)

Support Link

- **!support** = lists ways that viewers can support Aelrie.
- **!kofi** = kofistreambot sends a link to Aelrie's KoFi page

Raids

- **!raid** = This command shows you what to put in the recipient's chat during a raid.

Minigame

- **!fish** = cast a line in the fishing game on screen!

Misc.

- **!time** = shows the current time for Aelrie.
- **!pc** = Places Aelrie's current PC specs and peripherals in chat

Mods ONLY

- **!so** =used to shout out other streamers in my chat or who have raided. (mixitup should provide auto shout outs for raids, but an offline streamer can still enjoy a shoutout too)
- **!death** = Adds a death to the counter
- **!resetdeaths** = reset deaths to 0
