Board of Education Meeting Updates

Middle School Good News - September 2023

Welcome back to the 2023-24 School Year!

Our Meet and Greet Open House took place on Thursday, September 7th. This was an opportunity for families to meet their student's teachers, and check out their classrooms.

A special thank you to our friends at Sleepy Hollow Helping Hands for their generosity and commitment to supporting our students. Every year they contact us to see what supplies are needed, and Carol Metz delivers the supplies to our door.

Again thank you very much!

Fifth graders in Mrs. Favicchio and Ms. Hummel's classes are making a puzzle! Every student is decorating a personal puzzle piece. When we put them together, we have a diverse and beautiful masterpiece!

GotSneakers? Campaign

We are proud to bring back the GotSneakers campaign! In the spirit of environmental and economic sustainability, we have partnered with GotSneakers, a sneaker recycling organization, which will compensate \$1 for every pair of wearable athletic sneakers and

\$0.10 per pair for all other styles and conditions of footwear that we collect. There is no limit to the amount of money we can earn.

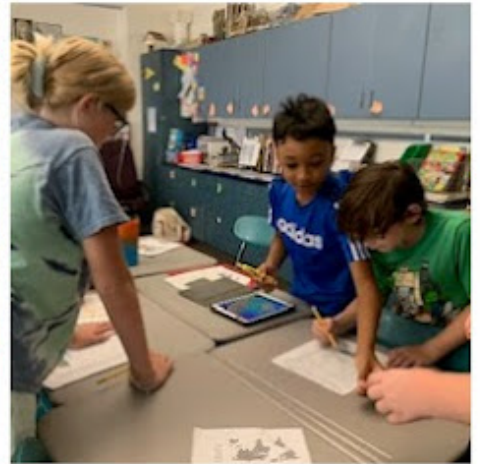

After the sneakers are collected, GotSneakers will process and distribute these sneakers around the world, specifically within impoverished nations. It is estimated that over 300 million pairs of sneakers are thrown away each year in America's landfills and that over 600 million adults and children worldwide live barefoot. We can touch the lives of thousands by simply cleaning out our closets and collecting our unwanted sneakers. The request is simple: Clean out yours and your family's closets of all unwanted paired sneakers. Please bring them to any box labeled as donation points.
