

Privacy Policy for AgeMint

Effective Date: August 2, 2025

AgeMint (“we”, “our”, or “us”) respects your privacy. This Privacy Policy describes how your information is handled in our mobile application AgeMint.

1. Information We Do Not Collect

We do not collect, store, or share any personal information from users. All age, birthdate, and zodiac information is calculated and stored locally on your device.

2. No Internet Connection Required

AgeMint does not require an internet connection to function. All features such as age calculation and zodiac sign identification work entirely offline.

3. No Third-Party Services

We do not use any third-party SDKs, analytics tools, or advertising services in this version of the app.

4. Children’s Privacy

Our app does not knowingly collect any personal information from children under the age of 13.

5. Changes to This Policy

If we make any updates to this policy, we will update this page and include the effective date above.
