Checking Grades and Attendance (including Standards)

1. Click the **PowerSchool Unified Classroom** icon on the [HHS website](#) or [RAMS website](#), or visit classroom.powerschool.com

1. If the login screen appears, scroll down and click **Sign In With PowerSchool ID and Password**. Some parents/guardians use the “Sign In with Google” as directed by the Holliston High Technology Department.

A screenshot of the 'Welcome to Unified Classroom!' login page. The page has a dark blue background. At the top, it says 'Welcome to Unified Classroom!' followed by 'Sign in with your PowerSchool ID.' Below this are two input fields: 'PowerSchool ID' and 'Password', both with red arrows pointing to them. There is a 'Forgot Password?' link below the password field. A blue 'Sign In' button is below the fields. Below the button is an 'OR' separator. Underneath are two more buttons: 'Sign In With Microsoft' and 'Sign In With Google'. At the bottom, there is a section for users who do not have a PowerSchool ID, with instructions to start the creation process or contact an administrator.

- The first screen you see gives you a quick glance at the current grades and recent assignments of the selected student at the top.

- To select a different student, select the drop down menu at the top of the screen and then choose all classes or a particular class on the next screen. Once you have exited this screen using the X in the upper right corner, the new student will be selected.

- The dashboard provides a snapshot view of progress in current classes as well as recent and upcoming assignments. If a class uses standards, the letter grade will be different:

AP = Advanced Proficiency
 WP = Working Proficiency
 DP = Developing Proficiency
 LP = Limited Proficiency
 NA = Insufficient Evidence

The screenshot shows a dashboard with a left navigation menu containing 'Communication', 'Progress', 'Calendar', and 'Quick Links'. The main area is titled 'Dashboard' and features a 'Class Overview' section. This section displays a list of classes on the left and their progress on the right. Two red circles highlight specific data points: one around the 'Traditional grade' (A 93% 104 / 112) and another around the 'Standards-based grade' (WP 92% 277.25 / 300). To the right of the class overview is a 'Recent assignments for all classes' section, which lists various assignments like 'Quiz 801(6) ...', 'Standa... 801(3) ...', 'Learn... 802(1,...', 'Learn... 802(1,...', and 'Grade... 801(6) ...' along with their due dates (OCT 8, OCT 8, OCT 3, OCT 3, OCT 2). Below this is an 'Activity Feed' section with a message 'No messages'. The top right corner shows a dropdown menu for 'T1'.

- To see a complete list of all assignments or standards progress, click **Progress > Assignments or Standards Progress** in the left navigation menu.

The diagram shows a simplified version of the dashboard interface. It includes a left navigation menu with 'Communication' and 'Progress' (highlighted with a red arrow). The main area is titled 'Dashboard' and contains two links: 'Assignments' and 'Standards Progress'. Red arrows indicate the navigation paths: one from 'Progress' in the menu to 'Assignments', and another from 'Progress' to 'Standards Progress'. A third red arrow points from the 'Dashboard' title to the 'Assignments' link.

- If Standards Progress is selected, the next screen will show grades for all classes. Select the blue grades (number or letter) to see more detailed information about the grade.
