In 1988 he graduated from Texas A&M University with a degree in Agriculture Economics. He and his wife Michelle have three children. Mr. Mock has served on the Navasota ISD School Board for eleven years. Mr. Mock's goals for the district, board, and community include: Continuing to build a trusting relationship with the community, wrapping up a successful bond to completion, and continuing the academic success of every student of the district.

As a team of eight, we are always looking to the future and setting NISD up to be a "District of Destination" as we anticipate growth.

"A School Trustee is sometimes labeled a thankless job. On the contrary, I've been thanked numerous times, and I thank the people of this district for allowing me the honor of serving on this board. The chemistry that the School Board has along with Dr. Musick is amazing. We truly are a team of eight!" --Greg Mock
