

11.1.2022

Meet your candidates...in alphabetical order!

Sandy and I moved to River Hills in May of 2020 from the lovely city of St. Petersburg, FL. Prior to that, we lived in The Sawgrass Players Club, a gated community in Ponte Vedra Beach, FL. At the Players Club, I volunteered in a variety of homeowner's association related activities. With a long career in business as an executive in the printing, publishing, and advertising industries, I wanted to contribute my business experience and energy to the work involved in managing our community. I was elected to an open board position and for the next 10 years worked in various capacities as a board member, treasurer, vice president, and president of the HOA board in the Players Club.

In this newest chapter of our lives in River Hills, I'd like to once again contribute to the community on the board of the HOA, working together with other board members to maintain the beauty of our community, and to implement creative and carefully thought out programs to preserve and improve River Hills as a secure, enjoyable, and beautiful place to live.

My wife Gail and I moved to River Hills in July of 2021. We both were very familiar with RH as her daughter lived here previously and I had looked at property in RH back in the 1990's. We have always been struck by the resort feel of the neighborhood, but we did not realize until recently that there was a connection to Sea Pines Resort in Hilton Head. I work with Wells Fargo Advisors in Ballantyne and while my commute is thirty minutes longer than my previous commute, it is all worth it when I drive through the gates of our neighborhood and see the lushness and serenity. As I drive through the gates I exhale a breath of relief and a feeling of relaxation comes over me. So it is fair to say we are quite smitten with our RH neighborhood.

I started my career in Wealth Management in Morganton NC in 1979, then in 1987 moved to Charlotte. Since my early days in my career I have been involved and committed to community service; starting with the Jaycee's where I was president of the year for the NC District. I then joined the Rotary Club and was a two-term president for the Ballantyne Rotary, of which I am still a member. Currently I serve as president of the South Charlotte Partners Board, an advocacy group for the betterment of South Charlotte and my term expires at the end of 2022.

If given the opportunity to serve on the Board I will work diligently to maintain the family nature of River Hills and further a well-developed growth plan for the future of RH. As well as making wise investments in our infrastructure.

Emily Kuhn

I moved to River Hills in March 2017 after spending around 17 years living in Chicago and Toronto. I first learned about River Hills from a friend of a friend at a wedding I attended in Toronto, and added it to my list of neighborhoods to check out as I was moving to the Charlotte area. I knew River Hills was the neighborhood I wanted to live in from the first time I visited, and I've been thrilled with that decision since! I'm currently in the middle of renovating my home on Commodore Point Road where I live with my cat, David Bowie, and my dog, Scout.

I've spent the majority of my 20+ year career in Finance. I was in the public accounting sector with Ernst & Young for my first three years after graduating from college, and then transitioned to Grainger (an industrial supplier based out of Chicago) for the next 17 years. During my time at Grainger, I was in a number of roles within the Finance area that gave me the opportunity to broaden my business

expertise across specialties like audit, accounting, financial planning & analysis and systems deployments. During my last few years at Grainger, I had the opportunity to lead the Finance roll-out of several integrated software solutions across the North American business. In 2020, I left Grainger to pursue a local role with a Fort Mill based company called Diversey where I am currently a Director of Finance.

The reason I'm running for the River Hills board is simply because I love our community, and I want to give back to the place I am so happy to call home. If I get elected, my goal will be to contribute by leveraging my finance background, and my passion for our beautiful neighborhood!

My husband, Mike, and I are so fortunate to have moved to River Hills from Florida in 2019. We wanted to live closer to grandchildren, which has proved priceless, but simultaneously finding ourselves in this incredibly beautiful, friendly, active community has been another priceless gift.

I have a B.A. in government from Skidmore College and an M. Ed and law degree from the University of Miami. I've combined my experiences in education and law over the years serving as teacher,

counselor, district administrator, staff attorney and superintendent of a 40,000 student school district in Florida. I've practiced civil law, served as Dean of a College of Education, and started a consulting firm advising school districts, organizations, nonprofits and private companies. I have considerable leadership and organizational experience with issues including personnel, legal, finance, maintenance, construction, and education. My training as counselor and attorney has served me well in listening to, working with, and relating to a wide array of individuals and groups.

I'm an active member of and Program Chairman for the River Hills/Lake Wylie Lions Club, an active volunteer at our church, and love playing tennis as much as possible with all the new friends I have made at the courts over the past several years.

If you allow me the privilege of serving on the Board I will bring my energy, management and legal experiences to working hard to sustain our beautiful community and making it the best it can be in appearance, infrastructure, security, and quality of life.

My wife, Linda Huntley, and I moved to River Hills in 2013. Prior to that

we lived in Tega Cay, SC. We purchased a house on Courageous and have spent most of the past nine years remodeling it.

I was a pilot for my entire career. First with the US Air Force and later with Eastern Airlines and finally with US Airways/ American Airlines until my retirement in 2015.

In the past, I have served on a Planning Commission and Zoning Hearing Board in Western Pennsylvania. Since moving to River Hills, I have been active in the River Hills Yacht Club as a board member for five years and one as Commodore. Also, as a member of the Lake Wylie/River Hills Lions Club I served on the Adopt-A-Highway Committee for the past six years. Last year I was a member of the RHCA Road Committee.

Safety and infrastructure are high priorities for our community. However, landscape, recreation and entertainment are what sets River Hills above other communities.

I would be honored to work with the residents and employees of River Hills.

VOTING STARTS TODAY FOR CCR AMENDMENT & 3 NEW BOARD MEMBERS...

Starting today, you may request an ABSENTEE ballot in writing from the Association Office...take it home with you or vote in the office.

Absentee ballots must be returned to the office no later than 6pm on Wednesday, November 16th. Regular voting will be in the Association Office one hour immediately following the Annual Meeting, Thursday, November 17th and ALL DAY of Friday, November 18th from 7am to 7pm. Popcorn will be served! Please help us meet quorum and vote.

Let's start Voting River Hills!
