Ross Island is a small island located near Port Blair in the Andaman and Nicobar Islands, and is known for its rich history and natural beauty. The island was once the administrative headquarters of the British in the Andaman Islands, and today it offers visitors a chance to explore its many attractions and learn about its colonial past.

The island was named after Sir Daniel Ross, a marine surveyor who surveyed the area in the 19th century. In 1858, the British established a penal colony on the island, and it remained the administrative center of the Andaman Islands until the Japanese occupation during World War II.

Some of the highlights of the Ross Island:

British-era ruins : Ross Island was once the administrative headquarters of the British during their rule in India. Today, visitors can see the ruins of the old British administrative buildings, including a church, a bakery, a swimming pool, and a hospital. These ruins are a testament to the island's rich history and provide a glimpse into what life was like on the island during colonial times.

Japanese Bunkers: During World War II, Ross Island was occupied by the Japanese, who built a series of bunkers and tunnels on the island. These bunkers are now open to visitors and provide a fascinating insight into the island's wartime history.

Museum: The Ross Island Museum is a great place to learn more about the island's history. The museum has a collection of photographs, documents, and artifacts that tell the story of the island's past.

Light and Sound Show: In the evenings, visitors can enjoy a light and sound show at Ross Island. The show tells the story of the island's history and is a great way to learn more about its past.

The best time to visit: The best time to visit Ross Island is between the months of October and May, when the weather is pleasant and ideal for outdoor activities. During this time, the temperature ranges from 20°C to 30°C, and the skies are usually clear, making it easier to explore the island and enjoy its attractions. However, it's important to note that the weather can be unpredictable in the Andaman and Nicobar Islands, so it's always a good idea to check the forecast before planning your trip. Also, keep in mind that Ross Island is closed to visitors on Wednesdays, so plan your visit accordingly.
