As form part (_____) facilitator,
O. Clave to introduce themselves by stating their name and position as well as to describe the participant next to them starting with the first letter of their names. In this activity, participants were not really familiar with each other because most of them are assigned in the field, however today is the time of getting to know each other very well.

Session 1: Overview about the Metro Kalibo Water District

Ms. Maria Cecille M. Ignacio, Senior Industrial Relations Management Officer B/Learning Facilitator presented through power point presentation and gave a bird's eye view about MKWD, as follows:

- Vision and Mission
- Organizational Structure
- Core Values
- Mandate of MKWD
- Brief History in the creation of MKWD

In this session, participants developed perception and realization on how MKWD being raised from its humble beginnings. The participants appreciate the MKWD history which is a powerful tool that will enable leaders to better understand the agency's past and to help shape its future. Since history builds a capacity to assess any context and yield insights into the development of the economy and business strategies. The presented information by the Learning Facilitator help builds the information to life for new entrants.

Session 2: Public Service Values Forum regarding "Kwentong Lingkod Bayani: Patriotism in Public Service" conducted by the Civil Service Commission through Civil Service Institute

The Learning Facilitator, M. Ignacio featured the webinar regarding the CSI's monthly forum on values program showcasing the exemplary performance of government civil servants demonstrating the public service values on Patriotism, Integrity, Excellence and Spirituality (PIES).

This forum, *Kwentong Lingkod Bayani* was timely shared to the participants in order to appreciate the importance of accepting, applying and advocating the Public Service Values and adopt best practices shared by different agencies.

F. Buenavidez likewise presented the MKWD Quality Policy, as follows:

- ✓ We at MKWD commit to supply safe, adequate, potable, and affordable water services to its concessionaires
- ✓ We commit to comply with all relevant standards as well as statutory and regulatory laws
- ✓ We shall strive to continually improve our services, processes, and systems in order to achieve total customer satisfaction

In this session, participants developed awareness on the importance of ISO in the agency.

Session 6: Awareness on MKWD's Personnel Mechanism

Learning Facilitator M. Ignacio presented the following Personnel Mechanism institutionalized in MKWD, the importance, function and benefits of the core HR system in all government instrumentalities. With this core component of HR systems, the Civil Service Commission (CSC) awarded the Program to Institutionalize Meritocracy and Excellence in Human Resource Management (PRIME-HRM) Bronze Award to MKWD in recognition of its commitment to promote service excellence in human resource management processes, practices, and competencies in the four-core HRM areas.

This recognition is a testament that the MKWD, an ISO certified agency, is committed to consistently provide quality services to its clients and comply with the applicable statutory and regulatory requirements on human resource management.

Salient points discussed:

- ❖ **Merit Selection Plan (MSP)** which is characterized by strict observance of the merit, fitness and equality principles in the recruitment, selection and placement of employees in MKWD. The composition of MSP relies on the Human Resource Merit Promotion and Selection Board.
- ❖ **Strategic Performance Management System (SPMS)** is a mechanism that links employee performance with the organizational performance to enhance the

- of SPMS
- mechanism
- ❖ **Program** for identifying, selecting, rewarding and providing incentives to deserving employees individually and in groups, for their suggestions, innovative ideas, discoveries, superior accomplishments, heroic deeds, exemplary behaviour, extraordinary acts or services in the public interest which contribute to the efficiency, economy and improvement in government operations, which lead to organizational productivity. The composition of members relies on the Rewards and Recognition Committee.
 - ❖ **Learning and Development** which align all learning and development interventions in the MKWD to its mission and strategic objectives. The composition of L& D relies on the Personnel Development Committee. The MKWD has also established an internal pool of Trainers/Learning Facilitators.
 - ❖ **Complaints and Grievance Machinery** is a mechanism/process designed to give employees and employers a fair and objective system to raise and review serious issues and complaints without bias.

In this session, participants developed awareness with the four-core of HR systems and its composition as well as individual commitment to promote service excellence in HRM processes, practices and competencies.

Session 5: Commitment Setting

Participants were given task to share their insights regarding this activity. As a manifestation of their learning, Engr. Guia T. Diaz pose query with regards to step increment and membership to various organizations within the MKWD like MKWD Employees Association, MKWD Provident Fund Association and MKWD Employees Multi-Purpose Cooperative. Likewise, Engr. Ricky P. Dela Cruz shared his insight by giving appreciation to the Learning Facilitators and MKWD as a whole for facilitating the Orientation/OnBoarding Seminar for the MKWD new entrants. With this, it is hereby recommended that there should be a proper representation from the said associations for better understanding and commitment of the new entrants.

The activity surfaced individual commitment of participants towards commitment to work, develop a high level of employee satisfaction, engagement and feeling of responsibility towards the achievement of MKWD goals, mission and vision. This also served as the culminating activity of the Orientation/OnBoarding Seminar for New Entrants.

V. TRAINING

The Learning Intervention, Pre-Seminar and Post-Seminar Evaluation to assess/evaluate the learning intervention of the participants and to determine the level of satisfaction in this activity. The instrument consisted of evaluation for nine (9) aspects of the program that includes: Design (Clarity of Training Objectives, Relevance and Sequence of Contents and Usefulness of the Learning Materials), Facilitation (Mastery of the Subject Matter, Time Management, Appropriateness of Learning Methodologies and SMEs Professional Conduct), and Administration (Pre-course Coordination, Learning Environment, Facilities and Equipment, Assistance to Participants).

Results of the evaluation for this activity showed an overall satisfaction rating, as follows:

- ✓ Excellent – 59.26%
- ✓ Good – 40.74%
- ✓ Fair – 0.74%

Participants posed suggestion/comments that there is a need for installation of air conditioning units at the third floor area to create a room climate comfortable to all participants while learning.

- The welcome remarks delivered by Engr. Lydio I. Ureta, Acting General Manager, welcomed the participants in this very important activity of the employee, the Orientation/OnBoarding Seminar for New Entrants by highlighting their commitment to work and efficient delivery of services to the public.
- True to their expectations, participants showed their interest and enthusiasm all throughout the conduct of the training manifested by their active participation.
- It was observed that Learning Facilitators were able to provide good transitions between activities and topics that made the whole discussion smooth and effective. Consistent feedback and communication with the facilitator during discussion is deemed important.
