

World War I Article Summaries

Name:

Hour:

Directions: Go to the website www.eyewitnesstohistory.com and click on the WW I icon. Browse through the articles and find FOUR that you would like to read. Summarize your articles-one paragraph on historical background and one paragraph covering the personal story.

After you complete your summary, you need to research your topic and find an additional website and provide a summary paragraph of new information. List the name of the website, title of article, and a summary of additional information.

Each article summary must be at least two paragraphs in length. Each research website summary must be at least one paragraph. Be prepared to present your summaries. This assignment requires a minimum of 3 paragraphs/article, for a total of 12 paragraphs.
