July 14, 2020

Dear PES Parents,

Palmyra Elementary School continues its efforts to promote positive behavior throughout the year. Our work in practicing our PAWS (Practice Safety, Accept Responsibility, Welcome Kindness, and Show Respect) teaches expected behavior on a daily basis. As our leadership team continues its work, we see possibilities for assemblies, celebrations, and other resources in our efforts.

This year we have again agreed to work at the Marion County Jr. Fair to assist with parking. This fundraiser will enable us to financially support various activities promoting PAWS.

We cannot do this without your help, and we are asking Elementary parents to assist. This year will look different due to COVID-19. We will be practicing social distancing. Donations will be placed into a bucket and **volunteers will not have to handle any money.** They will only be needed to sit at the station to supervise the donation bucket. Volunteers may wear a mask if they choose to do so. Masks and gloves will be provided if needed. Volunteers who are parking cars will be provided with a personal shirt to keep, therefore no vests will be shared and social distancing will be possible. Robby Gottman will be meeting with all parking volunteers prior to their shift to give guidance on the parking procedures.

We are building a list of adult volunteers who will help in our efforts and we want you to be involved! If everyone pitches in and helps for two hours one night, we can have enough manpower to work at the Fair and raise funds for Palmyra Elementary. **Your help is greatly appreciated! Please click on the link below to sign up to volunteer.**
