

WP Link Fixer JV Info

Launch: Evergreen

Make ALL your Affiliate Links Google friendly in one go!

Google has rules - if you don't follow them you don't get ranked...

But when they introduce new rules it can be a nightmare to make the changes you need to all your existing content, making it impossible to avoid penalties!

WP Link Fixer Fixes Existing Content to make sure you don't get a penalty for the new spam rules... And with the commercial unlimited site license included, you can use it on clients sites and charge them for the fix that takes you moments to do!

SEO for affiliate links...

How your affiliate links are hurting your site...

1,2,3 & Done...

1,2,3 Steps to Keep Google HAPPY!

3 Step Google Link Compliance

Body:

Hi,

If you want free traffic from Google then you have to play by their rules

and that now includes how your affiliate links are formatted

they just rolled out a Spam Link update that means all your affiliate links need the Rel="sponsored" tag added

it's basically SEO for your links... :-O

and they mean ALL your links, including all your old links in existing content

Matt was facing the same problem, with LOTS of blogs, and YEARS worth of content!

Fortunately Matt also creates plugins to sell...

So he came up with a plugin to fix ALL his links automatically.

and it really is a super simple, 3 step process:

#1: Install the plugin

#2: Click a couple of settings

#3: & Update...

Job Done!

Now You Can Do The Same

just grab this plugin now:

Body:

Hi,

sometimes it feels like Google just won't leave us marketers alone...

Whenever you think you've got a handle on what they want from your site...

They go and move the goal posts, again...

and sometimes it really can take forever to catch up

Losing you traffic and sales along the way!

Well for once that doesn't have to be the case...

This time you can make ALL your links compliant to their new Spam Link update in just moments!

And with Commercial Rights thrown in for this plugin for the next few days, you can not only fix all your own sites...

You can also fix your Clients sites and charge them for the service!
