A letter from our
Spiritual Director:

Greetings Emmaus Community!

Summer is gone and the fall walks are approaching quickly. Both walks are full, so I'm grateful to GOD for bringing just the right Pilgrims and Team Members together. Once we experience Send Off, the real work begins for those of us not working on the walk. What's our job once letters, agape, and signing up to help with meals is all done?

Prayer!

We know that GOD moves through prayer. Jesus said in Matt 6:6, *"But when you pray, go into your room, close the door and pray to your Father, who is unseen. Then your Father, who sees what is done in secret, will reward you."*

Because we experienced GOD on our walks, it is time to pay it forward once again. It is through this behind-the-scenes work of prayer that the Pilgrims hear clearly what GOD is saying to them. Their eyes will be open, and they will see Jesus and HIS great healing love.

Many of us have signed up for a 30-minute slot to pray. That's wonderful! There may be open slots if you haven't had the chance yet. But that 30-minute segment is just the beginning. It's the going behind closed doors, just us and GOD, where the power flows. Listen for GOD to call you to prayer during these two walks. Be ready to be "on call" for when more prayer power is needed. If you wake up in the night, pray for the Pilgrims and Team. If you feel a nudge from the Holy Spirit during your kids' soccer game, pray. If you are in Walmart and you begin to wonder how the walks are going, pray. If you attend candlelight or remember your own, pray on Sunday. GOD will bring it to mind. Let's say YES to GOD when HE calls us to pray. We want Jesus' power to flow mightily and lives to be transformed by the Holy Spirit. We all can work the walks through prayer.

Come Lord Jesus.

Pastor Tess

A Letter from our Community Lay Director:

Dear DaySpring Emmaus Community:

Fall is here, and you know what? It snuck up on me! I'm a 'summer person' all the way—sitting under a shade tree or swimming in a pool are some of my favorite ways to enjoy the warm temperatures summer brings. When we had that unexpected “false fall” a couple of weeks ago, right in the middle of those wonderful 90-degree days, I was reminded that real fall was almost here.

Life throws all manner of unexpected things at us, no matter what the season. But if we stay ready “*to make a defense to anyone who asks for a reason for the hope that is in us and doing so with gentleness and respect*” (1 Peter 3:15), we can both find strength for ourselves in these days and help others find and follow Jesus. Think about your walk and all the unexpected and wonderful things that brought you so close to HIM. GOD uses the walks to build leaders who are hopeful and bold, and who love GOD and the work HE's calling us to do. Our walks remind us to stay true to the WORD of GOD and live it out daily. And they remind us that we are loved by GOD with an everlasting love! Your Emmaus Board has been busy learning new roles and helping the fall teams get prepared for the coming walks. We've also reinstated the Clergy Liaison/Historian board role, which will be valuable in keeping the clergy database updated and providing a paper history of each walk to look back on.

Our Fall Walks are approaching quickly, and I ask you to pray for the Lay Directors, David Hall and Shannon Duddy, their teams, and the pilgrims. If you haven't signed up to pray, you can find the links on the DaySpring Emmaus Facebook page and on the website, dayspringemmaus.org. Other ways to serve are to show up at sendoff (7:00 p.m.), candlelight (7:30 p.m.), and closing (4:00 p.m.); make some homemade snack agape, sign up to serve a meal, and bring table agape (100) or pillow agape (30).

There will always be unexpected things that happen. Let's “*be prepared in and out of season*” (2 Timothy 4:2), as we represent and present GOD to this broken world.

DeColores!

Sponsoring a teen is a great way of exhibiting Christian Action! Sponsoring a Chrysalis youth is not hard, but it is a responsibility that you should not take lightly. The Chrysalis Experience is an event in one's life that can and should be unforgettable.

Prayerfully consider who you might sponsor as a Chrysalis Candidate.
