Section 2 – Activities and Awards

We know that many students may not remember specific names and details of activities and awards, so complete to the best of your ability on your own. If you can't remember the specific name of your church group or the exact title of an award, that's ok. We also recognize that you are in middle school and your list of activities and awards may be short at this point in your life; however, it is important to begin thinking about the importance of participating in activities that will demonstrate your potential for success. These activities should demonstrate strong moral character and scholarship along with a service/leadership potential. Please pay attention to the instructions and completely fill out each section to the best of your knowledge.

School Activities & Awards: List all school activities in which you have participated during elementary and middle school. Include clubs, teams, musical groups, etc, and list awards/accomplishments in each. List any school awards that you have received.

Community Activities & Awards: List other activities (not listed above) in which you have participated. For example: church groups, community athletic teams, non-school clubs such as Boy or Girl Scouts, other community organizations, etc., and list major accomplishments and/or awards in each.
