## TITLE I SPRING COORDINATOR MEETING/PRIVATE SCHOOL WORKSHOP

*\*DPI will attend LIVE virtually*

This session will provide opportunities for coordinator networking and the latest information from the DPI's statewide Title I Network. This workshop will provide technical assistance to leaders to review and revise a current or develop a District and School Improvement plan in alignment with Title I requirements. You will also be provided support during the workshop to complete your spring consultation with your district's private schools.

<b>Abigail Pavela</b> Wisconsin Private School Ombudsman, DPI	<b>Brielle Glatzel</b> Federal Fiscal Monitoring Consultant Title I and School Support Team, DPI	<b>Amy Maciolek</b> Multilingual Learners and Title III Education Consultant, DPI
<b>Location:</b> CESA 7, Room C	<b>Date/Time:</b> April 26, 2023 8:30am-3:30pm <b>LUNCH INCLUDED</b>	<a href="#">Register here!</a>

Please invite your private school contacts to register and attend with you to begin/complete your Spring consultation requirements together.

With the passage of ESSA, LEAs and private schools are expected to engage in ongoing consultation across the school year for Title I-A, Title II-A, Title III and Title IV-A. The purpose of this document is to assist private schools and LEAs in planning for Spring consultation and beyond. The template is organized to guide planning for each Title and, when completed, can serve as documentation of a needs assessment. By engaging in planning and documenting using this template, private schools can prepare to participate fully in the consultation process.

**\*You will receive A Private School Program Development Plan for 23-24 template to meet ESEA private school requirements.**

## TITLE I DPI UPDATES AND NETWORKING

This webinar will provide the latest updates in Title I to keep you in the know. Additional topics will be addressed based on your needs. You will receive resources to operationalize federal requirements. Optional networking, Q/A, supported work time, and technical assistance to meet your individual needs will follow the updates.

**Location:** Virtual

**Date/Time:** May 17, 2023 9:30am-11:30am

EL Network Meetings are designed to provide a forum for discussion and sharing for administrators, EL educators and coordinators, general education teachers, interventionists, Title I teachers, aides, translators, pupil service providers, and administrators. At these quarterly meetings, network participants will receive timely EL information from the DPI, learn and share about best practices, acquire resources, and discuss current issues in the schools and classrooms.
