Dear Meg,

Thank you so much for making a donation to the Starr! We are a small theater powered by the big hearts of our supporters, and your belief and support of our mission means the world to us, our artists, and our community.

Your gift of \$100.00 on March 22, 2020 empowers 5 teams of artists to create bold new works for our stage that will be seen by more than 6000 audience members this year. And importantly, your donation makes such a difference in their ability to take creative risks and push the limits of our imagination about what theater can be and who it can serve.
