You can just be yourself — because **YOU** are what **EVERYONE** always wanted to be. You start to truly *FEEL* deep down within yourself that you are the **DARK GOD** of the **NIGHT**, the **OVERWHELMING CORE** of the **ABYSS**. and *NOTHING* — not even God's most powerful angels, could *EVER* prevent your desires from *MANIFESTING*.

ROCKSTAR LEADER

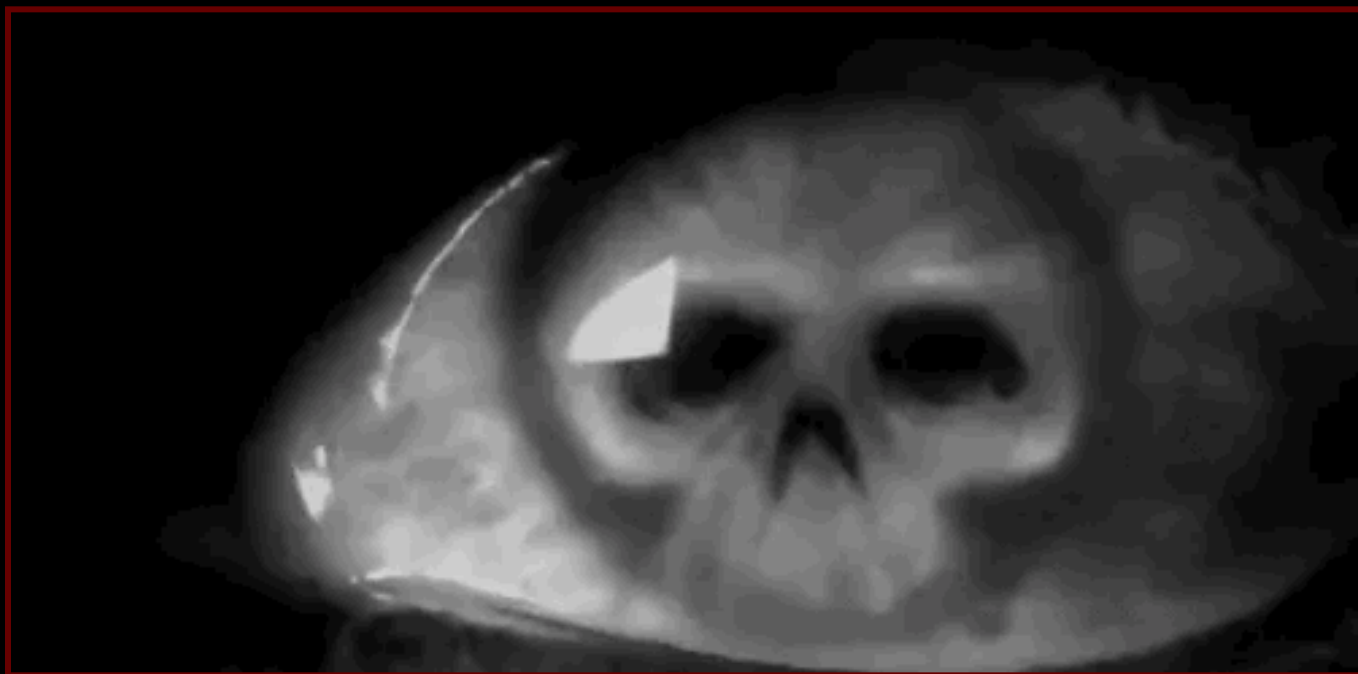

Contains roughly 26 pages of programming for becoming a famous musician/artist. Everything is here, from the talent to sing any genre or play any instrument flawlessly with ease, the ability to receive collective insights and enter the flow state effortlessly, and the aura to take all of

your desires and attract everything you want with ease. There are also loads of benefits for being worshipped and attracting a mass amount of fans. That's just scratching the surface, though. There's also many, many, MANY other benefits which will be left under the iceberg; you will have to experiment to understand exactly what this section entails. It would be impossible to explain everything since this is a project I've been working on for almost 3 years now. For now, here are SOME of the benefits. This is a project I'm extremely proud of and passionate about so I do hope you enjoy.

This section does A LOT more than meets the eye, and UNLOCKS ALL of your innate ARTISTIC and CREATIVE ABILITY, FORCING you to EXPRESS them UNINHIBITED at the FULL CAPACITY of which your NATURAL DIVINITY can EXPRESS:

LIMITATION. GO NOW AND WALK AS THE ABBADONIC DEITY YOU'VE ALWAYS BEEN.*

DARK STAR DEITY

ALGOL is a binary star system in the constellation of *PERSEUS*, known in the Arabic language as "*Ra's al-Ghul*", meaning "*Head of the Demon*". It takes on the energy of the beheader, or the one being beheaded, depending on

the polarity. *ALGOL*, also known as the *DEMON STAR* can manifest in *INFINITE* expressions. Some see it as a bringer of misfortune, while others view it as a force of protection. The truth is, it can be both, neither, or something else entirely. Practitioners who know about and work with the energies of *ALGOL* receive blessings and protection, along with the ability to harness and direct its power, while those unknowing of it are most likely to fall prey to its calamity. It is also tied directly to *MEDUSA*, and more indirectly to *LILITH*, *HECATE*, *KALI*, and more; representing and embodying the *DESTRUCTIVE DARK FEMININE*. In my actual chart, I have *ALGOL* conjunct *SUN* in *TAURUS* at 25°, so I know this energy on an *EXTREMELY DEEP LEVEL*, and have seen it play out many times.

RITUALS devoted to *ALGOL* have been performed to **ENERGIZE** you with *DARK STAR ENERGY*. This infusation is **EXTREMELY BENEFICIAL** for those who work in the **OCCULT**, or perform **ANY KIND** of

BLACK MAGICK. It is also **INCREDIBLY EMPOWERING** before **ANY** creative project, competition, or even before a life or death situation. *ALGOL* is the *BLACK SUN* of *HIDDEN ROYALTY*, and as such, can bestow **CHARISMA** and **FAME** to the devotee. It works to **PROTECT, ENCHANT,** and **WEAPONIZE YOUR ENERGY,** rendering you **PHYSICALLY, MENTALLY,** and **SPIRITUALLY SUPERIOR; OVERPOWERING ALL OTHERS.**

Your **AURA CONSUMES** the **SOULS** of the **DAMNED AUTOMATICALLY** through
SIN-EATING-TECHNOLOGY.

Your **AURA AUTOMATICALLY EATS** the **NEGATIVITY** of the **EARTH** and **TRANSMUTES** it to **GOTHIC POWER.**

Your **AURA AUTOMATICALLY DEVOURS** the fears, doubts, guilts, and shames of others and **TRANSMUTES** them into your own **STRENGTH, CONFIDENCE, WILL,** and **LIFE FORCE.**
