Sack Lunch contents:

Granola Bar, Chips, Capri Fruit Punch Pouch, apple sauce cup or fruit cup.

Capri Sun Punch is the same price as water after the bottle deposit.

Costco is your best cost option over time.

PB&J sandwiches:

Please add PB&J to both pieces of bread and the jam or jelly in between. Place each sandwich in its own sandwich bag (zip lock or fold over), then place all sandwiches back into the original bread wrapper and seal the top.

Please do not stuff sandwiches into sacks, as the sacks may not be delivered the same day, and sandwiches will need to be refrigerated or frozen.

We will also be accepting Donations of new white cotton socks, winter coats, blankets, warm pants and shirts. All used clothing must be washed.
