- Little pitch on what you want the character to be/look like, image references of the vibes you are looking for

Terms of Service:

Please read it all before commissioning me

GENERAL TERMS:

- You are only purchasing a digital png file, not a physical service, not shipment involved and not printed art.
- You will be receiving the product via dropbox link with 2 variations, one full resolution and a smaller, watermarked one. I recommend the usage of the watermarked version for social media.
- Be sure to save your picture once finished, I replace the links monthly and it can get lost to time.
- I reserve the right to cancel and refund the commission if there are communication issues, our working style doesn't match or the client is troublesome.
- I won't make infinite changes to the design. Please have a clear idea before contacting me or be open minded with my inputs but do not be indecisive. I usually only make one sketch with little changes.
- Everything past the sketch stage is set in stone once accepted and I will only make changes on the picture if it was my own mistake.
- I might contact you multiple times for your input, I might not contact you at all if the references are clear.
- Color might vary a bit from your references.
- There can be variations from the art displayed as a sample and the art you get because I am a human and my art is in constant development. Still, you can make a clear idea of my abilities by checking my twitter or FA
- By purchasing the commission you are accepting this TOS

In case of personal commission: If you wish for the artwork to not be updated or shared anywhere on the internet, I will charge a 30% fee of the total price

Payment:

- Payments are required to go through paypal. All prices are in USD
- Full payment must be made before the commission starts. Commercial projects might be discussed.
- Payment must be received within 24 h of the acceptance of the commission.

Deadline:

- I will usually detail the deadline when the commission is arranged but the average waiting time is around 2 months from the moment of the payment.
- I will always inform you if there is a delay
- If you need your commission finished for an early, certain date, please let me know. i might charge a fee because giving your commission priority

Changes:

- When starting, I will send you an extremely rough sketch with the composition/pose. If accepted, that is set on stone.
- Following, I will clean the sketch and contact you again. In this stage, small changes must be made. Once accepted, it is set in stone.
- If the client wants further charges, I have the right to decline or charge an extra fee per change.

Refunds:

- I keep the right to refund the picture at any given time if troubles or miscommunication happens.
- You have no right to cancel or demand a refund under any circumstances after payment is received unless there's a good reason for it.
- If you file a chargeback against me on Paypal, your right to everything I have ever made for you will be retracted and I will have the right to sell the copyrighted art to new buyers. you will be blocked and won't be able to purchase anything from me anymore. Your username and details about the case will be publicly posted for others to take care.
