

Estock Elementary **S.O.A.R.** Values Framework

At Estock Elementary, our **core values—Scholarship, Ownership, Action, and Respect (S.O.A.R.)**—guide everything we do. The **S.O.A.R. Values Framework** illustrates these values in various areas of our school. By teaching and modeling these values, we help students make positive choices, grow as learners, and contribute to a kind and responsible school community. These shared expectations ensure consistency, build trust, and support students in becoming their best selves every day.

The **S.O.A.R. Values Framework** is more than a list of rules—it's a roadmap for how we live, learn, and lead together at Estock Elementary.

S.O.A.R. stands for:

- Scholarship – Striving for academic excellence and a love of learning
- Ownership – Taking responsibility for our actions, choices, and growth
- Action – Making safe, proactive, and positive choices
- Respect – Treating ourselves, others, and our environment with kindness and care
