STORYBOARD TEMPLATE

A separate template should be used for each extract from an audio-visual production (prototype or mock-up). Complete each box in detail to describe your intentions. Boxes may be expanded if necessary.

Cell	**Length**	**Image** (original sketch or photograph)	**Technical elements** (shot type/ distance, angles, movement, editing transitions)	**Audio** (TV: SFX, dialogue, VO, music. Music Video: song timings, lyrics)	**Notes** (Location, costume, props, character directions etc.)
