PARENT EDITION

Happy last week of school, Sherman Oaks families! We are looking forward to a week full of fun, celebration, and a few goodbyes. Please make sure to read the information below carefully, as there are details about all our events happening this week.

As we close out the year, we would like to thank you for all the work you have done to support the work that we do here at school. The more involved you are in your student's education, the better the outcomes for them tend to be. We appreciate your partnership and look forward to continuing this work during the 2025-2026 school year. We hope that your summer is filled with moments of beauty, and joy and that you are able to build new family memories together. Have a wonderful break and we will see you and your students back on August 20th. 🌴

Early Release:

Please remember that students will be dismissed at **1:20 PM** all week (Monday -Wednesday). Make sure to pick up your students on time.

Immigration Support Resources:

If you know anyone who may benefit from the resources on our district [website](#), please share this link with them. We are committed to supporting all our families and students. If you need assistance, or have questions, please reach out to any one of us in the front office or Veronica Ramirez, our Community Liaison.

These are the [slides](#) from the presentation from the Santa Clara County Rapid Response Network that was facilitated at school. As discussed during the meeting, a [family plan](#) is a helpful tool for families to have.

2025-2026 Calendar:

Our calendar for the next school year is now available. Please keep these dates in mind to help plan vacations. Click [here](#) to view the calendar.

Sports news:

Below are anticipated dates for next year's seasons. If your student is planning to participate in any of these sports, please have sport forms completed prior to the season. Forms can be found on ParentSquare beginning Monday, June 9th. Sports physicals for the upcoming school year are valid after June 12th, so please plan accordingly.

Boys Basketball 2025: August 25 to October 8

Boys Soccer 2026 : Feb 9 to April 1

Family and Community Events:

YMCA Project Cornerstone Summer Fun 2025: Project Cornerstone Summer Fun is a free online resource designed to help families stay connected, engaged, and learning together over the summer months. Each week for eight weeks, the site will offer fun, simple activities rooted in Project Cornerstone's values—perfect for families with elementary through middle school students. The website will launch on June 9 and can be accessed on our website through [this link](#) or QR code on the flyer.

For younger kids, our ABC and *Los Dichos* lessons (available in Spanish) feature weekly activity ideas including crafts, service projects, mindfulness, book and movie suggestions, and hands-on learning projects. For middle schoolers, we've designed weekly "video + challenge" prompts to keep things fresh and interactive for this age group.

Access flyers [in this resource folder](#).

Imagination Library Blue Ribbon Selections USA (Core Program): Dolly Parton's Imagination Library puts books into the hands and hearts of children around the world. Imagination Library books are specially selected age-appropriate, high-quality titles. These books are delivered to registered children each month from birth to age five. Each one is personalized with the child's name and mailed directly to the child's home. This effort creates a gifting experience making books exciting and shows the child someone is thinking of them. The Blue Ribbon Book Selection Committee selects several bilingual English/Spanish titles each year. Please see the [registration form](#) for parents to complete and the [bilingual book list](#).

From Our PTC:

Thank you to all the families who either attended meetings, supported with funds, or volunteered their time. We appreciate your support and involvement and look forward to working together again next year.

San Jose Public Library Summer Program:

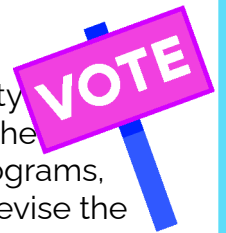

Students and families can get a cool head start on Summer Learning at San Jose Public Library (SJPL) with a *goal of reading either 8 books or 8 hours across 8 weeks from June 1 to July 31*, participants of all ages can enjoy their favorite hot book titles and fun SJPL activities all summer long.

Once the program begins on June 1, all youth receive one free book for both signing up and completing the challenge, while adults will also receive fun giveaways for doing the same. For more information, please visit: www.sjpl.org/summer.

School Site Council Nominations:

Next year, we will need two parent representatives for School School Site Council. This group is a school community representative body, made up of school staff and parents. The primary responsibility of the SSC is to participate in the development and monitoring of the Local Control and Accountability Plan (LCAP), evaluate the effectiveness of programs, monitor the use of funds available to the school site, seek input from school advisory committees, and reaffirm or revise the school goals. The group meets (about) once a month at least 6 times during the school year.

To nominate someone, or yourself, please complete [this form](#) and return to the front office or email the school principal, Wendy Gonzalez at wgonzalez@campbellusd.org by the last day of school, June 11th. Printed copies of the nomination form will be available in the front office the next two weeks.

Downtown Youth Wellness Center:

As was shared during our Cafecito by Consejera Marquez, the [Downtown Youth Wellness Center](#) in San Jose, is a great resource for youth who are 12 and up. Some of the services offered are:

- Peer support, social and enrichment activities such as music, art, and self-expression
- Same-day access to behavioral health services and support
- Workshops, care coordination and linkage to other supports

- Additional resources available to the youth include, a laundry room with a clothing closet, and hygiene supplies for youth

7th Grade Fundraising:

7th grade would like to thank everyone for supporting them in raising funds for Yosemite. This year they have raised \$2,176 in pizza sales and \$2,060 in recyclables. Our students are excited and looking forward to next year's trip!

Community Liaison Weekly Resources:

Please take a look at our Community Liaison's Weekly Resources, posted on [ParentSquare](#). Each week, Veronica Ramirez will post resources available to our community that you may find useful. If you have questions or need support or resources related to your student's academic or social emotional growth, as well as a family need, you can always stop by the front office, [email](#) her, or call her at (408) 795-1140 ext. 4973

Lost and Found:

Please stop by our Lost & Found during these last few days of school, as any items left by the last day of school, Wednesday, June 11th, will be donated to a local agency. Thank you!
