Paul's Updates from MVE-

- **Superintendent survey-** *Parents have received a survey to fill out and provide feedback. Until Dec. 13th. There will be some focus groups w/search consultant, interviews and conclusion by the end of Feb. For more info you can visit our [Superintendent Search Page](#)*
- **ECE Community Needs Assessment-** *fliers went home, we will host focus groups and listening sessions to get a sense of where the gaps are in our community. Look for more information in January.*

Past Events:

- **Fall Conferences**
- **Screenagers Event-** *We showed the Elementary version of the film at the Grange, and approx 50 adults & older elementary aged students and the feedback was positive. Paul will share out in the coming weeks about the event, and what screen use looks like in our school. Grade level appropriate use. Based on research and discussion with staff, we've identified the best areas for screen use in classrooms. Kinder doesn't use screens. Parents are interested in learning more about what online learning we use grade by grade, and also how much time each grade is using per day.*

Possible Upcoming Events:

- **Linking Family Events to Learning-**
 - *K-2 Reading Night*
 - **Game Night- Math Games & Curriculum - agreed this event would be nice to host in March. More planning needed at the next meeting.**
 - *Healthy Play-*

- *Conflict Resolution- what should we expect with solving conflicts. Bob Winters could discuss what recess looks like and how he supports it as needed.*
- *Game Night-*
- *How to have a successful play date at your house*

Next Meeting; Thursday, February 6th, from 2-3pm
