## welcome

Hello! My name is Miss Romanowski and I will be your 5th and 6th grade math and science teacher. I am excited to get to know you and help you learn!

## about me

I grew up in Philadelphia until I was 10 and then I moved to Delaware County. I attended Catholic School through 12th grade and then earned my Bachelors of Science in Elementary Education from Rosemont College.

In my free time, I enjoy reading, playing and coaching volleyball, and being creative. I also enjoy spending time with my sister, especially at amusement parks!
