

Thank you to everyone who has reached out with a desire to help the families whose students were involved in the car accident. The ARHS PGO will update this page as we receive more information about specific ways community members can help. Note that any donation pages will be managed by the friends and family who create them, and not by the PGO.

Sayhan Islam's family has set up a gofundme page to cover expenses for his funeral and to bring him back to Bangladesh. To donate, click here: <https://gofund.me/d290413b>
