Back Ed Miliband for Chancellor under Andy Burnham Prime Ministership

Email content:

Dear YOUR MP'S NAME

I am writing to you as a constituent in anticipation of Andy Burnham's appointment as Labour leader and Prime Minister. My post code is YOUR POST CODE.

I am aware that Ed Miliband is a contender for the role of Chancellor in Andy Burnham's cabinet. I am deeply concerned about the implications of the climate crisis for our way of life in the UK. I believe that Ed Miliband is the right choice for Chancellor, given his record as Secretary of State for Energy Security and Net Zero, in which he has consistently advocated for policies to cut UK greenhouse gas emissions further and faster.

2025 was the UK's hottest summer on record, and this year has already seen three heatwaves, with record-breaking temperatures in May and June. It could not be clearer that significant action is needed to curb emissions and slow global average temperature rises. An Ed Miliband Chancellorship has the best chance of giving a Burnham government the clarity and focus to rise to this challenge.

Please use your influence as a Labour MP to encourage Andy Burnham to appoint Ed Miliband as his Chancellor. This will give me the confidence to support you in future elections.

Many thanks
