19. Hi, my name is Andi. I like cycling very much. In the afternoon I ride my bike around my house complex. My bike is special because my uncle gave it to me for my birthday. It is black in colour and the height is perfect for me. There is a clip under the crossbar that holds a water bottle. There is also a tyre pump under the seat. There is a rear light and head light, so I can go cycling in the evening, too.

D

Why is the bike special for Andi?
