19. Hi, my name is Andi. I like cycling very much. In the afternoon I ride my bike around my house complex. My bike is special because my uncle gave it to me for my birthday. It is black in colour and the height is perfect for me. There is a clip under the crossbar that holds a water bottle. There is also a tyre pump under the seat. There is a rear light and head light, so I can go cycling in the evening, too.

D

Why is the bike special for Andi ?

A ☐ It has a crossbar

B ☐ The colour is black

C ☐ He can ride in the evening

D ☐ It is a birthday gift

20.

This is my new toy, a fidget spinner. It is made of plastic and metal. The colour is red, but the bearing is black. I hold the center part of the spinner and push one of the lobes. It spins fast. It can spin for about three minutes. It will slow down before it stops spinning. I like my spinner because it makes me relax after a long tiring day. I sometimes play spinners with my friends. We make a spinner contest. The spinner that spins longest is the winner. It is much fun.

How many lobes the spinner has ?
