Israel-Hamas War... Will it affect You?

Introduction. We all watch things and their effects... even the Israel-Hamas War. But, does the Israel-Hamas War directly affect you? Is this Israel-Hamas War more than just another mideast war? You may be surprised!

What is the Israel-Hamas War? The Israel-Hamas War began 7 October 2023, when Hamas attacked Israel from the Gaza Strip, killing 1,139 Israelis and foreign nationals. 8 October 2023 Israel announced, on the evening of 7 October 2023, Israel's Security Cabinet approved Article 40A, declaring war to eliminate Hamas's military and end its' rule over Gaza Strip.¹ As of 7 Feb 2026, this war is still ongoing. Why are Israel and Hamas, Islam, or other Middle East Conflicts at war? Is it land? Politics? Or something else? To understand this, one must first understand the history.

History. This history begins in Genesis 12:2, when God tells Abram (later renamed to Abraham), he would become a great nation, and in him, all families of the earth will be blessed.² Then in Genesis 15:18, God gave Abram the land from the River of Egypt to the Euphrates River.³ Genesis 16:1-2 indicates, at this time Abram and his wife Sarai had no children. However, tired of waiting on God, and against God's wishes, Sarai convinced Abram to take her handmaid Hagar, to conceive a child.⁴ Genesis 16:6-16 indicates while Hagar was with child, an angel of the Lord talked to Hagar and said: Your son is to be named Ishmael, will multiply exceedingly, but he will be a wild man. Ishmaels' hand will be against every man, and every man's hand against him. He shall dwell in the presence of all his brethren, to the East.⁵ In Genesis 17:5-15 & 21, God confirms His covenant;

renamed Abram to Abraham and Sarai to Sarah; and established the covenant with Isaac, not yet conceived, who was to be Sarah's son.⁶ Later, in Genesis 25:5-6 Abraham gave all possessions to Isaac, but to his concubines' sons (to include Ishmael) Abraham only provided a few gifts and sent them eastward, separate from Isaac.⁷ Bottom line, Isaac promoted Abrahamic based Jewish and Christian beliefs; Ishmael promoted what is now Islam; and God said they will always be at odds. Wikipedia link [Ishmael in Islam - Wikipedia](https://en.wikipedia.org/wiki/Ishmael_in_Islam), (https://en.wikipedia.org/wiki/Ishmael_in_Islam) is an excellent source on Ishmaels' role as father of Islam and Arab nations.⁸ Likewise, Wikipedia link [Genealogy of Jesus - Wikipedia](#) is an excellent source on Isaac's role in Genealogy of Jesus.

Notice several things about this history: God did NOT have a Covenant with Ishmael; A child out of wedlock, whom is a wild man with a hand against every man and every man's hand against him... would NOT be part of God's plan; "An angel of the Lord..." is clarification to Hagar as to who was speaking to her (vs one of Satan's demons); and Ishmael was sent away from Isaac. All are evidence Ishmael was not according to God's plan, which would then have to be part of Satan's plan to disrupt the lineage of Christ. (See brief excerpt from link: [Study of Prophecy](#), page 4, see paragraph beginning with "Again, evil angels believe in prophecy, and shudder."[James 2:19](#))

It is important to recognize, God knew His intended genealogy of Christ. Satan also recognized this. Reflect back on [Genesis 6:1-7](#) when Satan convinced his demons to marry Hebrew women to disrupt Hebrew lineage of Christ. Now, in a different way, in Genesis Chapter 12 - 25, Satan was again trying to disrupt the Hebrew lineage of Christ. God understood the effect of Satan's disruption. God documented this beginning of Islam in Genesis 12, so we could understand even today, why, there is still discord between Islam and Abrahamic based Jewish and Christian beliefs.

This discord of Satan again surfaces in Revelation Chapter 8, documented by the 7 Trumpets, in particular the 6th Trumpet. A full explanation is link: [God-Spoke, Understanding God's Countdown to Rapture](#). Pay close attention in Trumpet 6, to Whom... "was prepared for an hour, and a day, and a month, and a year..." Later, this history of Islam again goes full circle, shown this time in Revelation Chapter 13 discussion of the "Beast of the Sea". Following link best explains this connection: [How did we miss THIS?! - The connection between Daniel 7 and Revelation 13](#) Of interest, is where the Islamic Caliphate surfaces again. Dig Deep, notice the full-circle connection between Ishmael and Islam in history, and continues today thru the 6th Trumpet; as well in Revelation 13 Beast of the Sea.

What is Israel's connection with Hamas, Houthis, Fatah, Palestine, Islam, and other Mid-East groups or Countries?

Reflect on History above and remember Isaac has linkage to Israel, and Ishmael has linkage to Islam. The following will help you better understand the many splinters of Islam, and how they apply today.

Hamas, an acronym of its official name Islamic Resistance Movement, is a Palestinian Sunni Islamist political and military organization governing Gaza Strip of Israeli-occupied Palestinian territories. Hamas, headquartered in Gaza City, also has a presence in the West Bank which is controlled by Fatah, its secular rival.⁹ **Houthis**, also known as the Houthi movement, and officially the Ansar Allah, is a Zaydi Shia Islamist political and military organization that emerged from Yemen in the 1990s. It is predominantly made up of Zaydi Shias, with their namesake leadership being drawn largely from the Houthi tribe. The group has been a central player in Yemen's civil war, drawing widespread international condemnation for its human rights abuses, including targeting civilians and using child soldiers. The movement is designated as a terrorist organization by some countries. The Houthis are backed by Iran, and they are widely considered part of the Iranian-led "Axis of

Resistance".¹⁰ **Fatah**, formerly Palestinian National Liberation Movement, is a Palestinian nationalist and social democratic polity party, and faction of Palestine Liberation Organization (PLO).¹¹ **PLO** is a Palestinian nationalist coalition, internationally recognized representative of Palestinian people. Founded in 1964, PLO initially sought to establish an Arab state over former Mandatory Palestine, advocating elimination of the State of Israel. However, in 1993, PLO recognized Israeli sovereignty and now only seeks Arab statehood in Palestinian territories of West Bank and Gaza Strip, occupied by Israel since the 1967 Arab-Israeli War.¹² **Mandatory Palestine** was a geopolitical entity existing between 1920 and 1948 in the [region of Palestine](#) under [League of Nations Mandate for Palestine](#) terms. After [Arab uprising](#) against the Ottoman Empire during the [First World War](#) in 1916, [British forces](#) drove [Ottoman forces](#) out of the [Levant](#) (a large area in the Eastern Mediterranean region of West Asia). In the end, United Kingdom and [France](#) divided what had been [Ottoman Syria](#). Mandatory Palestine was then established in 1920, and the British obtained a [Mandate for Palestine](#) from the [League of Nations](#) in 1922.¹³ The **1948 Palestine War** was fought in what had been British-ruled Mandatory Palestine, known in Israel as the War of Independence. In May 1948, the State of Israel was established, and ended the Mandate.¹⁴ **Palestine** is a geographical region in [West Asia](#), situated in [Southern Levant](#). Palestine is usually considered to include [Israel](#) and the [State of Palestine](#), though some definitions also include parts of northwestern [Jordan](#). Other historical names for the region include [Canaan](#), [Promised Land](#), [Land of Israel](#), or [Holy Land](#).¹⁵ **State of Palestine** is a state in [Southern Levant](#), founded on 15 November 1988 and officially governed by [Palestine Liberation Organization](#) (PLO). Reflect back to "History" above for why Israel and Islam will always be at odds.

Is the Israel-Hamas war more than just another mideast war?

Could it be connected with the 6th Trumpet? Israel has been involved with several wars involving the mid-east, to include WW I & II, 1948 separation of Israel and Palestine, the 1967 6-day war, and others. Matthew 24:6 states "You will hear of wars and rumors of wars, but see to it that you are not alarmed. Such things must happen, but the end is still to come."²⁰ As such, could it be that the Israel-Hamas war is just another Matthew 24:6 war? Or, *IS* the Israel-Hamas War *THE* 6th Trumpet?

What are these Seven Trumpets, and how does the 6th Trumpet affect me? Revelation Chapter 8 describes Seven Trumpets.

These are six events God describes for us to watch, in anticipation for the 7th Trumpet, which is Rapture. The first five trumpets have already occurred; and the 6th Trumpet is underway. (See the paper "[God-Spoke! Understand God's countdown to Rapture!](#)"; or [A Study of Prophecy](#) page 9, "Trumpets".) The 6th Trumpet, is the last event, prior to the 7th Trumpet, Rapture.²¹ Guess what happens next. Yes, that directly affects you! *IF* this is not the 6th Trumpet, you now know what to watch for!

If this Israel-Hamas War is, or part of the 6th Trumpet, what happens next?

- a. *If* the Israel-Hamas War is, or is part of the 6th Trumpet, the 7th Trumpet will quickly occur.²² The dead (Believers in Christ) will rise first, then we (Believers) who are alive,

shall be caught up together with them in the clouds.²³ This is Rapture.

- b. After the 7th Trumpet Rapture, the 7-year Tribulation begins with Peace Treaty signing.²⁴ After such destruction, a quickly enacted treaty would make sense. Remember, Rapture occurs between the 66.7 million slain in the 6th Trumpet, and the peace treaty.
