

Weekly Expanding Horizons Check-In

Name _____

Date _____

Amount of time I spent doing my homework _____

One cool thing about history that I learned last week in class or from my reading:

I read the assigned History of Us readings and videos listed on the blog Yes / No / Almost

I summarized my readings in my notebook Yes / No / Almost

I read the required pages of Uncle Tom's Cabin or Frederick Douglass Yes / No / Almost

I worked on my presentation, something from my bonus goal, OR something from the supplemental media list. This is what I did.

How do you feel you are doing in this class?

Awesome! Okay Help!!!
