

~~~~~Tacki's Art Supporter Stream Information~~~~~

**WHO:** The People who have been showing up to my streams

**WHAT:** A Free, single character, flat color art stream

**WHERE:** <https://picarto.tv/TackiDraggie>

**WHEN:** April 22nd, 2023 @ 4PM PDT

**WHY:** I want to give back to the people whose time I'm taking for my art streams!

Greetings! I'm **Tacki Kawabata!** My fursona is a red dragon hatchling around the physical age of 2. I've been a babyfur since 2007, and I've been working on my art skills for longer than that. My main (dubious) claim to fame is my militaristic babyfur art focused on the Napoleonic Era. I've been working on and off on a weird little comic called "Children of Maeria."

<https://www.furaffinity.net/view/42459002>

I'm not sure if I'll ever finish this project, but streaming it to you all has been helping me stay motivated to try. That being said, I'd like to pay you all back. Read below for everything you need to know for my upcoming free art stream!

## WHAT CAN I REQUEST?

First off, **YOU** need to contact me and share...

- A link to a picture of your character ref
- An idea for a single character with up to 1 simple prop

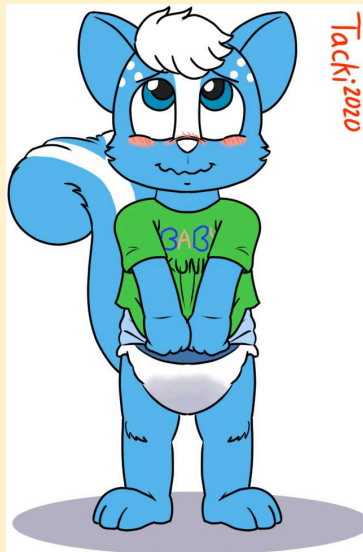

I'm going to try and do as many **single character flat color pictures** as I can in a three hour (possibly more) window of time.

Your request must be a **single character** (with accompanying ref and an idea). I'm willing to do 1 simple prop. If your character has too many complex accessories, I'll ask if I can change, drop, or simplify a few things.

I've created a list of stream supporters and organized them from most supports to least supports. I will start with the person with the most supports and work my way down. If there is a tie, I will determine who to start with through a set of criteria in descending order. **If the person has not provided a ref OR idea, I will skip them on the list.**

If you are drawn during the stream, your support points will be cashed in and deleted. If I don't get to you, your supports will be saved for the next milestone!

## Example Pictures:

## WHO GETS DRAWN WHEN?

Here's how this goes:

- Make sure you've shared a link to a ref of the character you want drawn and an idea!
- I'm starting with the person with the most supports and working my way down the list
- If a group is tied in supports here's how we'll tie break
  - 1. Reference AND idea provided BEFORE the stream
  - 2. Present at the stream
  - 3. Random roll
- I will plan for a three hour stream. After three hours I will finish the pic I am working on and then decide to do more as my stamina permits

## ETIQUETTE

*This is a free art stream. If I do not get to your idea, please do not be angry or rude about it. I'm pretty patient, but if you start stinking up the chat, then I will have to ban you for an indeterminate amount of time.*

*I can't guarantee that I can keep doing free art streams forever, so if they stop after this, please do not be upset. My time is precious and I still have to focus on my real life and personal projects. Drawing takes a long time and I feel artists should be compensated for their time. If they're going to do pictures for you for free, **be kind!***

## WILL DRAW/ WON'T DRAW

**I draw pretty much anything SFW.**

**Sensitive Content wise, I draw the following:**

**Babyfurs**

**Diapers**

**Messy and/or wet diapers**

**Things I definitely won't be drawing (no offense to those who like that stuff!)**

**Nudity**

**Sexual Situations**

**Vore**

**Extreme violence (blood and stuff)**

**Visible scat (aka outside a diaper)**

*If something is not on the list, feel free to ask me if I'll draw it or not. No worries!*

## FIXES:

I'm willing to do some slight fixes after the stream is finished if I make a mistake on your character. **If it requires severe altering of the line art and/or takes more than 20 minutes**

**then I'm afraid you get what you get.** If you can make it to the actual stream, you may ask me to make whatever fixes you want in real time while I'm doing your picture however!

### **SO HOW DO I EARN SUPPORT POINTS?:**

Support points are earned by showing up to the stream. You do not have to be there the whole time, you also do not have to say anything either! I take a look at the names of the people in chat at the end of the stream just before we sing our goodbye song. That is when I start handing out support points. You can earn one point per stream.

Here's a piece of advice though! If you can't stay the whole stream, especially to the end, make sure you say hello or goodbye in the chat. I don't really look at the userlist until the end of the stream.

Obviously if you just pop in for a minute it kinda isn't fair to get a stream support point for that. Please, don't hang around because you want a chance at free art. Hang around because you like the content. If you're there for 30 minutes or so, that's good enough for me!

### **CAN I EARN SUPPORT POINTS FOR THE FREE ART STREAM?**

YES! But they don't count for this stream. I'll divvy them out at the end though along with the new support goal.
