STUDENT FEES

The Indiana state legislature has determined that schools can no longer charge for curricular materials. There are still questions in regards to what does and does not classify as a curricular material. To be safe and to better serve our families, South Henry families will not charge textbook rental or consumable fees for the 2023-24 school year. Fees may be charged for courses that earn college credit. Parents and students will still be responsible for any lost or damaged educational material.
