..and I'll be there to capture every second of it.

current ad

standard 2 wedding photographers at home and abroad

FUTURE Potential Painful State

- What are they angry about?
 - . you have no personal choice in choosing the photos You are left with photos with ugly facial expressions,
 - . No communication,
 - . the photographer was very unprofessional which gave a sour taste to the wedding.

bad reviews

The majority of the photos were taken from an odd angle,

Lastly, and most importantly, there isn't a photo of us (just the bride and groom) that we would be proud to frame.

There was little attention to detail,

my bridesmaids had to take time out of their already hectic day to help John stage photos and give him ideas (including the standard dress shot, bouquet, shoes, etc.).

reminder the google ads are only one sentence long because they aren't search ads but the kind of ads that shows up on a website.

family and friends captured many more lively images with bright colors and set up shots with their iPhones, which looked much better than majority of the images we received from our professional photographer

- What are their top daily frustrations?
Not being able to exactly know what happen on their marriage day
- What are they embarrassed about?

You are left with photos with ugly facial expressions

my bridesmaids had to take time out of their already hectic day to help John stage photos and give him ideas

Desirable Dream State

If they could wave a magic wand at their life and change it

- Who do they want to impress?

Dierbaren,

We also heard positive and nice messages about 'our photographer' from our guests

- How would they feel about themselves if they were living in their dream state? -

immediately back to our beautiful day, more than we ever dared to dream

I still get goosebumps 6 months later.

- What do they secretly desire most?

We recognize our feelings for the day again when we see the photos.

important parts of positive reviews

We were immediately put at ease

You will certainly get many beautiful, unique photos and a photo album in return

She reassured us that we didn't have to pay attention to her to pose, but could just enjoy the day.

Theo is creative in finding beautiful corners or places, also takes initiative, but is also very open to our input.

warm and understanding person. She made our special day an unforgettable experience.

. She has the unique talent to capture the deepest emotions with a perfect sense of timing, light and color. Every photo is a work of art in itself

We received our wedding photos very soon after the wedding. It was truly a surprise to be able to see and share our beautiful photos with our loved ones so quickly. nice contact with our children, beautiful composition, and high-quality, professional photos!

current State

- What are they afraid of? Stress during the wedding due to the photographer AND BAD PHOTOS

Values, Beliefs, and Tribal Affiliations

- What do they currently believe is true about themselves and the problems they face?

They deserve to look important [beautiful] at their wedding, arranging a good photographer is stressful.

- What character traits do they value in themselves and others?

reminder the google ads are only one sentence long because they aren't search ads but the kind of ads that shows up on a website.

Nonjudge mental, romantic , beautiful, and an warm personality

- What character traits do they despise in themselves and others?

Judgemental thinking they don't look good.

- What trends in the market are they aware of? What do they think about these trends?

Looking beautiful, fashion, wedding trends

- What “tribes are they a part of? How do they signal and gain status in those tribes from beauty, things that stand out, trends on Instagram doing things that make people jealous
