I'M THINKING ABOUT HIRING A TUTOR OUTSIDE OF SCHOOL... WHAT ARE SOME GOOD INTERVIEW QUESTIONS TO ASK?

- 1) Could you send me printed material describing your qualifications, degrees, specialty areas and/or teaching experience?
- 2) Ask the tutor or facility for references. When calling references, ask the following questions:
 - (a) How satisfied were you when working with this individual or facility?
 - (b) What kind of progress did your child make?
 - (c) Did your child enjoy attending his/her tutoring sessions?
 - (d) Do you feel the tutor or facility was eager to see that your child received the best help possible?
- 3) What kind of services does your facility provide?
- 4) How is my child assessed?
- 5) Can I provide testing information that has been done at the local school?
- 6) Is testing mandatory for my child to participate?
- 7) What is the cost of testing?
- 8) Where are the tutorial sessions to be held? (Ask to see the actual location)
- 9) Will my child see the same tutor each week?
- 10) What will be the cost per hour for each session? Does this include any other services besides the actual tutoring (study skills, time management, organizational skills, etc.)?
- 11) How many sessions do you feel my child will need?
- 12) How often will I receive feedback about my child's progress?
