

Dear Parents/Guardians,

First and foremost, we are all on this crazy journey together! We want you to know that we are here to support you and your child through this uncertain time.

Communication during this time is going to be essential. We are asking that all parents are signed up for REMIND. Remember you can “text” us through REMIND at any time.

-5th grade class code: @lms5thg

-6th grade class code: @lakin6th

Each teacher will be hosting online office hours through Google Meets Monday-Thursday during the day and there will be one teacher online in the evenings to take questions from students and parents. During these times LMS teachers and staff will be available to help in any way we can. Please keep in mind that we are working together and each teacher can help with each class!

All content will be delivered through Google Classroom, Google Community, and Google Meets. Each teacher has created a google classroom that will house the assignments and learning that your child will be responsible for completing to receive their grade. There will be various announcements through Google Community. Teachers will be going live occasionally so it is important for students to be vigilant about checking email. Live lessons will be archived on google community for students to view later. Students have received invitations to join each teacher's google classroom and an invitation to join their grade level google community.
