

# LeADERS

Learning through Active Discovery, Engagement, Reflection, and Showcase

## ePortfolio Review Worksheet

---

The overarching goals of the LeADERS ePortfolio are to: 1) establish you as a professional in your field, 2) articulate and tie your learning experiences to your professional aspirations, and 3) provide examples from courses and experiences that demonstrate your knowledge, skills, and abilities.

While there is flexibility in how you choose to accomplish these goals, you must include the following:

| Required Component  | My Status  | Notes |
|---|--|-------|
| Introduction with brief biography, professional focus, and goals upon graduation.<br><b>Goal: Articulate a professional identity, including plans for your future career.</b>   | <input type="checkbox"/> Completed<br><input type="checkbox"/> In Progress<br><input type="checkbox"/> Not Started |       |
| Explanation of LeADERS in your own words and reflection on the impact of experiential learning on your professional development.<br><b>Goal: Communicate LeADERS distinction and its significance to an external audience.</b>  | <input type="checkbox"/> Completed<br><input type="checkbox"/> In Progress<br><input type="checkbox"/> Not Started |       |
| Explanation of each of your LeADERS experiences, providing insight into what it was, what you did in it, and the content covered.<br><b>Goal: Provide context to an external audience about the courses/experiences that you completed.</b>   | <input type="checkbox"/> Completed<br><input type="checkbox"/> In Progress<br><input type="checkbox"/> Not Started |       |
| Reflection on each experience, articulating professional skills gained, relevance of skills to your goals after graduation, and why the experience was significant for you.<br><b>Goal: Reanalyze learning from courses as it relates to personal/professional goals and synthesize skills and experiences toward career aspirations.</b> | <input type="checkbox"/> Completed<br><input type="checkbox"/> In Progress<br><input type="checkbox"/> Not Started |       |
| Work samples from each of your LeADERS courses/activities, with context explaining what they are and the skills they demonstrate.<br><b>Goal: Demonstrate skills using appropriate, relevant, and compelling content which support claims. (Show, not tell!)</b>  | <input type="checkbox"/> Completed<br><input type="checkbox"/> In Progress<br><input type="checkbox"/> Not Started |       |
