

Week 8 Pre-class Questionnaire

This questionnaire is on the assigned reading/viewing/listening materials and is due prior to the class in which they are discussed. It is a place to practice applying the materials to your own experience, practicum site, and prior learning. Most of the questions do not have one “right answer”, rather, there are many right answers. Your thoughtful engagement and application of the materials will produce the best results.

Note: Your Pre-class Questionnaire score will be available in Moodle each week.
