

Parent-Teacher-Student Organization Welcome Letter

2025-2026

Hi Watertown High Families,

Welcome to the start of the 2025/2026 school year. As our kids move through high school, we all know how quickly these years fly by. The Parent-Teacher-Student Organization (PTSO) is one way we can stay connected, support our students and staff, and keep our school community strong.

Our current PTSO board members have “graduated” right along with their kids, which means it’s time to bring in some new families and fresh ideas!

We’re looking for parents and guardians who are willing to step into leadership roles (President/co president, Treasurer, Secretary) and help shape what the PTSO will look like moving forward. Don’t worry if you’ve never done this before - what matters most is your energy, creativity, and willingness to pitch in.

Being part of the PTSO is a great way to:

- Get to know other families and staff
- Support school events, programs, and activities
- Have a voice in how we make high school a more positive experience for all students

If you’re curious, interested, or able to help, please join us at our **first meeting of the year** via zoom on **Wednesday, October 1st, at 6:30 PM** (link: <https://us02web.zoom.us/j/81541170354>). If you can’t make it, but want to learn more, send us a quick email at **watertownptso@gmail.com**. Please also follow us for up to date information on Facebook- Watertown High School PTSO.

Our high school students are only here for a short time so let’s make these years as fun, supportive, and memorable as we can. We’d love to have you join us!

Thanks so much,

Gina Brennan

President, Watertown High School PTSO
